**ATRA's Technical Manual Identification System**

(ATRA) The author will be in parenthesis, identifying factory manuals from aftermarket manuals.

85-93 Manuals that are specific to certain years will list the year coverage after the title, i.e. those that cover hydraulics or updates.

Abbreviations listed just before the price are to help identify the contents of the manuals.

- HYD** Hydraulic, usually followed by another code such as PO.
- ELEC** Electrical or Electronic, will be followed by another code.
- PO** Principles of Operation, explanations on how things work.
- DIAG** Diagnosis, troubleshooting manual.
- UPD** Update, the latest changes for the years listed.
- REP** Repair Manual, usually contains Assembly and Disassembly, Principles of Operation and Diagnostics.

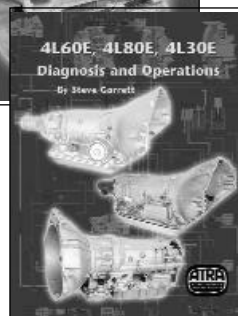

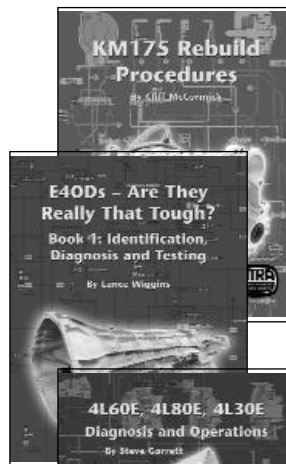

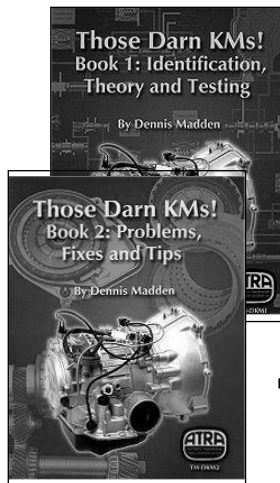

Examples:

HYDPO Hydraulic Principles of Operation  
ELEC DIAG Electronics Troubleshooting

⇒ Indicates new additions to the BookStore.
